

REMINDER & AGENDA - 2024: Melanated/Coppertone Indigenous People's Power Conference

Greetings Family Network,

This is a reminder about **Sunday, January 7th @ 4pm EST**, the **2024 Melanated/Coppertone Indigenous People's Year of Power & Higher Consciousness**. I have attached the **Agenda** and the meeting info on **freeconferencecall.com** is below.

Please remember that it is **inter-trial** and **inter-organizational**, so feel free to invite everyone with a mind to build the foundation of our people, so we can shine as beacons to light the way for the rest of the people on this planet.

For your **edification**, I am providing a link to a recording of an interview with one of our recently transitioned **Powerful Patriarchs**. He would have been one of our speakers at the Conference. Even still, his words will forever inspire all of us to greatness.
